A Short Course in Photography (8th Edition)

Barbara London, Jim Stone

A Short Course in Photography (8th Edition) Barbara London, Jim Stone

The London, Upton, Stone series has helped over 1,000,000 photography students capture their potential. The new 8th edition of *A Short Course in Photography* introduces students to the fundamentals of photography and suggests ways in which they might create photographs that have meaning. With a special focus on black and white photography, the book also explores digital techniques and web photography resources, equipment, cameras and camera accessories, the exposure and development of film, and the making and finishing of prints. All aspects of the process are explained and illustrated clearly in two-page spreads, each of which addresses a self-contained topic.
