The beginning of a new year seems to come with an innate yearning to make it better than the year just past. When the longing is accompanied by faith that all parts of our lives work toward good even when we cannot fathom how, we have the basis to recalibrate our lives in positive ways. Dr. Sherry Hoppe, author of several inspirational books, shares stories collected over more than two decades to illustrate how life can be full and satisfying whether days are sunlit or cloudy. Through 365 daily devotions, she offers readers hope and courage to claim God's promises for security and strength. Post-it meditations at the end of each day provide encouragement and commitment to apply lessons from the stories and the author's commentary to life on a daily basis.
