Somewhere in Heaven: The Remarkable Love Story of Dana and Christopher Reeve Christopher Andersen

"Dana is my life force."

--Christopher Reeve

"A terrible thing happened. I wish it hadn't. But would I change who I married Never."

--Dana Reeve

He was a hero in every sense of the word--the chiseled-from-granite star of four blockbuster *Superman* films and the romantic classic *Somewhere in Time* who, after being paralyzed in a freak horseback riding accident, became a symbol of hope for millions. Dana Reeve was no less heroic, standing steadfastly by her husband's side until his surprisingly sudden and unexpected death at age fifty-two. When Dana, a non-smoker, passed away from lung cancer just seventeen months after Chris's death, she left behind their thirteen-year-old son, Will, to be raised by friends and family. Dana was only forty-four years old.

That fate could have dealt such a cruel hand to this golden couple seemed unfathomable. That they could endure it all with grace, courage, and humor defied belief.

Yet for all the millions of words that have been written about their public causes and private struggles following Chris's accident, little is known about the lives they led as passionate young lovers. Now, in the manner of his poignant-yet-stirring bestsellers *Jack and Jackie*, *Jackie After Jack*, *An Affair to Remember*, *The Day Diana Died*, *After Diana*, and *The Day John Died*, No. 1 *New York Times* bestselling author Christopher Andersen draws on those who knew them best to examine in touching detail the Reeves' unique partnership and the romance, faith, and fortitude that defined it.

Sometimes heartbreaking, often uplifting, always compelling, *Somewhere in Heaven* is more than just a portrait of a marriage. It is the profoundly human story of two souls whose brief lives made a difference, a bittersweet saga of tragedy, triumph, and loss, and--above all else--a love story for the ages.

Many Shirley:

As a pupil exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Somewhere in Heaven: The Remarkable Love Story of Dana and Christopher Reeve can make you sense more interested to read.
