Stop the Islamization of America: A Practical Guide to the Resistance Pamela Geller

Islamic supremacism is seeping into every aspect of American life. Islamic jihad groups aren't solely concentrating on terror attacks (although another one of those could come at any moment), but on the creeping encroachment to introduce Islamic law into this country, step-by-step and bit-by-bit, until finally America wakes up to a country transformed into an Islamic state. In *Stop the Islamization of America*, the renowned activist Pamela Geller lays bare the chilling details of the Muslim Brotherhood's strategy of steady subversion and erosion of our freedoms, while offering a practical guide for how to fight back. Written by an original thinker and innovative, tested, successful activist, *Stop the Islamization of America* is a much-needed wake-up call about a sinister, subversive agenda that could do nothing less than destroy the United States - with unique instructions about how we can, and must, fight back now to defend our nation and our civilization.
