The Family Handbook (Family, Religion, and Culture)

The Family Handbook (Family, Religion, and Culture)

This encyclopedic volume brings clarity and focus to a multitude of family issues. The expert contributors deal with practical and important questions, thereby providing information of significant usefulness to social workers, therapists, lawyers, ministers, and health-care professionals. Those who work with families will learn new techniques and see their efforts in a larger context. An extensive directory of family resources provides the reader with helpful and practical information.

The Family, Culture, and Religion series offers informed and responsible analyses of the state of the American family from a religious perspective and provides practical assistance for the family's revitalization.
