People love the convenience of their slow cookers. What could be better than walking in the door after a hard day's work to the smell of beef stew, ready and waiting? A beef stew that only requires three ingredients, that's what!

The problem with most slow cooker recipes is that they require lots of ingredients and steps before you actually "fix it and forget it." Not this book-these are truly simple recipes, and best of all, they are memorable, not mushy!

You'll find recipes like:

- *Pork Roast with 40 Cloves of Garlic

Plus, you'll find recipes for desserts like cheesecake and custard and appetizers like chicken wings and artichoke dip!
