Enter, is a psychological thriller. A book that takes you into the mind of a serial killer from the beginning of his madness to the best ending ever! This is the first book of a sequel. You wont want to put it down and you will dream about the moment you can pick it back up again. A page turner as well as a great read. The one thing every reader says is, "I want more!" April O'Brien is a great story teller, draws you in and holds you there. Read all her books on Amazon kindle.

### **From reader reviews:**

#### **Sybil Davis:**

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each book has different aim or goal; it means that book has different type. Some people truly feel enjoy to spend their a chance to read a book. They are reading whatever they have because their hobby will be reading a book. How about the person who don't like looking at a book? Sometime, person feel need book if they found difficult problem or perhaps exercise. Well, probably you will require this ENTER (at your own risk).

#### **Richard Reardon:**

Information is provisions for folks to get better life, information today can get by anyone from everywhere. The information can be a know-how or any news even a huge concern. What people must be consider whenever those information which is in the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you get the unstable resource then you have it as your main information you will see huge disadvantage for you. All of those possibilities will not happen with you if you take ENTER (at your own risk) as the daily resource information.

#### **Leslie Jasso:**

Many people spending their time by playing outside with friends, fun activity along with family or just watching TV all day every day. You can have new activity to pay your whole day by looking at a book. Ugh, think reading a book can definitely hard because you have to take the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Cell phone. Like ENTER (at your own risk) which is obtaining the e-book version. So , why not try out this book? Let's find.

#### **Donna Moore:**

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library as well as to make summary for some reserve, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this ENTER (at your own risk) can make you feel more interested to read.
