***** KINDLE is READING PLAN ONLY!*****

The goal of “My Scripture Journal” is to help you to grow deeper in your walk with Christ by reading the Bible and memorizing scripture. The scripture memorizing technique offered in “My Scripture Journal” has been shown to help others memorize scripture out of the Bible.

When we study the Bible we learn the tools needed in order to live a life that is pleasing to the Lord. God doesn't promise a life free from trials. However He has given us the tools we need to fight our battles through His word, the Bible. When we memorize scripture we automatically have the tools on hand that we need to get us through whatever life throws our way.

“My Scripture Journal” is designed to help you memorize scripture while also learning more about God through His word. This plan for reading and memorizing scripture is designed for those of us who have either a short attention span, or busy lives, in order to help incorporate God into our everyday life!

This scripture journal is set up where you will study one snippet of scripture per week. There will be seven different activities you will complete in order to help you memorize the scripture and get into the word, one activity per day of the week. At the end of the beginning of the next week we will move onto another scripture.
