Michael Jackson was not a paedophile, as the courts could not find any evidence and pronounced him not guilty. However, it remains a stain on his red thriller jacket. Let us see, if there was no blood on the dance floor. A journey of a life time, you will become a part of this narration too. Are you a paedophile? Fiction is not necessarily a make believe tale. All make believe tales are basically truths, either too good or too bad to be accepted. I salute you for still wanting to read about him. See you in the next part soon.
