El narco en Mexico. Historia e historias de una guerra (Spanish Edition) Ricardo Ravelo

Historia e historia de una guerra es una contribucion imprescindible para comprender el narcotrafico en Mexico. Esta investigacion periodistica presenta los angulos imprescindibles de la guerra mas sangrienta que ha vivido Mexico desde hace un siglo: las rutas de la droga, el lavado de dinero, las complicidades oficiales, el cambio de bando de las fuerzas armadas, la impunidad, la vida de los capos, sus abogados y los negocios alternos de los mafiosos. El narco en Mexico se articula en dos ejes transversales: en el primero se exponen los antecedentes y la historia del conflicto armado por el que atraviesa el pais, desde que Felipe Calderon declaro la guerra contra el crimen organizado. En el segundo, Ricardo Ravelo narra las historias de sus protagonistas: los capos, las fuerzas del Estado, los abogados y otros actores de la sociedad civil, enlazados en esta voragine interminable. De esta manera, el autor relata episodios tan significativos como la fuga del Chapo Guzman; la caida del gobernador Mario Villanueva, condenado a prision por trafico de drogas; el surgimiento de Los Zetas, la vida y muerte de Raquenel, "la abogada de acero"; el ascenso y la caida de Osiel Cardenas o el caso de don Alejo Garza, un hombre inquebrantable que murio a sangre y fuego defendiendo su patrimonio. En suma, esta obra constituye el panorama mas completo sobre el fenomeno delictivo que ha llevado a la nacion a una de las peores crisis de seguridad en su historia.
