How do you turn a good essay into a great one?

First, by mastering the art of the traditional five-part essay you learned in school, and then, by bending the rules. With a little originality and resourcefulness, your writing can go from commonplace to compelling in no time.

Too often, high school students know the nuts and bolts of writing, but they don;t know the finer points that will make their work stand out. *Essay Writing Step-by-Step* takes you through the steps of writing an essay, whether it's for a college application or an in-class assignment.
