Race for the Moon was originally published by Harvey in 1958, long before we landed on the moon. The stories contained inside are the product of the time period, our race against the "Reds" and the desire to reach the moon. This is sci-fi and told through the eyes of Jack Kirby, Joe Simon, Al Williamson, Bob Powell and others. This fun series lasted three issues and is reprinted in its entirety including the Harvey house ads. In color and fully restored.
