The Social System

Talcott Parsons

The Social System Talcott Parsons

The classic study by Harvard's Talcott Parsons on social systems and the "theory of action," as theorized and applied in a variety of settings, including the medical profession, kinships and role-socialization, psychological relationships, and religious organization. This foundational work is available from Quid Pro Books (with red cover) in a new, high-quality, introduced, and modern format—but nonetheless features embedded page numbers from the original, to make it easy to cite, reference, or assign to classes. This feature also provides continuity with the new eBook editions from Quid Pro (which also embed standard pagination). Now the book may be assigned and referenced with confidence, and read without the formatting anachronisms of previous offerings.

This *Classics of the Social Sciences* edition from Quid Pro also includes a substantive, analytical new Foreword by Neil J. Smelser, the renowned senior professor of sociology at the University of California, Berkeley. In his 2012 introduction, Dr. Smelser places the original work in its historical and critical context and examines the themes and legacy of this great book.

[Publisher's note: Although this description may appear under editions or used copies offered by other publishers or sellers, only the Quid Pro edition (with red cover and new introduction) features the modern rendition of text and embedded pagination from the original print edition, as well as the analytical Foreword by Dr. Smelser.]

From reader reviews:

Adam Sea:

Your reading sixth sense will not betray you, why because this The Social System e-book written by well-known writer who knows well how to make book that may be understand by anyone who read the book. Written inside good manner for you, still dripping wet every ideas and publishing skill only for eliminate your personal hunger then you still uncertainty The Social System as good book not only by the cover but also by the content. This is one guide that can break don't ascertain book by its deal with, so do you still needing an additional sixth sense to pick this specific!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.

Katie McCants:

This The Social System is great reserve for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This book reveal it details accurately using great plan word or we can state no rambling sentences included. So if you are read that hurriedly you can have whole data in it. Doesn't mean it only offers you straight forward sentences but tough core information with lovely delivering sentences. Having The Social System in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world in ten or fifteen minute right but this book already do that. So , this is good reading book. Heya Mr. and Mrs. active do you still doubt that?

Gerald Kelly:

That reserve can make you to feel relax. This particular book The Social System was multi-colored and of course has pictures on there. As we know that book The Social System has many kinds or category. Start from kids until teens. For example Naruto or Private eye Conan you can read and think that you are the character on there. So , not at all of book tend to be make you bored, any it offers you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading that will.

Michele Fernandez:

Publication is one of source of knowledge. We can add our expertise from it. Not only for students but native or citizen want book to know the change information of year in order to year. As we know those publications have many advantages. Beside we all add our knowledge, may also bring us to around the world. By the book The Social System we can take more advantage. Don't you to definitely be creative people? Being creative person must prefer to read a book. Just simply choose the best book that appropriate with your aim. Don't always be doubt to change your life by this book The Social System. You can more pleasing than now.
