Ally Mitchell is haunted by a past filled with the memories from one horrific night when her family was destroyed forever leaving her broken, shattered and alone.

Ian Rhodes is running from a broken heart derived from a tragic loss that he doesn't know how to move past. Having no idea how to cope, he buys a small mountain home, determined to isolate himself from everyone he's ever loved.

When Ally finds herself in need of help for the first time since moving to her secluded mountain home, she has no choice but to turn to her new neighbor, Ian. Together, Ally and Ian are forced to face their own fears in order to get them through the next few weeks while Ally heals, but what they never planned on was the deep feelings they would develop for each other.

Are their new found feelings enough to bring them back from the pain of their pasts? Bring Me Back is a story of two very broken people who struggle through tragedy to learn to depend on each other, trust and love again.
