There is an old tradition...

Caraleigh Kris is haunted by the dreams of her people. Endless visions, promises of death and magic, and a pull to a wolf she cannot name. All of it points to her unwanted fate: to succeed as the Tribe MC's next Queen.

The old ways die hard...

It's not every day that the Harley-riding Sebastian meets another hunter – let alone one with magic – but this woman seems to be more than meets the eyes. Everything about her beckons him, body and soul, but he knows something is wrong. Maybe he should run, but he just can't bring himself to...

Peace won't last much longer.

An ancient rivalry rears its head, the bloodthirsty battle between the Tribe and the Fallen and the curse that compels them. The Heirs of each have come of age, and they are called forth to fulfill their destinies. But nothing will go as planned once their hearts get in the way...
