Exploring Family Theories Bron B. Ingoldsby, Suzanne R. Smith, J. Elizabeth Miller

Exploring Family Theories integrates theory with research and applications--offering a highly readable introduction to family theories.

In each chapter, the authors present the history, scholarship, and critiques of each principal family theory in a concise and student-friendly manner. Numerous illustrations and examples augment and clarify content. Application questions enhance the student's ability to relate each theory to the real world. A follow-up journal article exemplifies how each theory is used to guide actual research.
