In a house haunted by memories, the past is everywhere ... As darkness falls, a man caught in a snowstorm is forced to shelter at the strange, grim house Wuthering Heights. It is a place he will never forget. There he will come to learn the story of Cathy: how she was forced to choose between her well-meaning husband and the dangerous man she had loved since she was young. How her choice led to betrayal and terrible revenge - and continues to torment those in the present. How love can transgress authority, convention, even death.
