This is Book 1 of the 'Broken Submission', series by Katelyn Skye.

Be careful what you wish for...

Maxwell Craig was Lily's one secret obsession.

He was well beyond her reach, a man of style and means. He was also the best friend of her boss and Lily knew she was foolish, longing each night for Maxwell's touch, his kiss. But then Lily was just a simple girl with no love life to speak of, so who could blame her for wishing?

And yet when fate brings Maxwell into her path in the most unexpected of circumstances, Lily begins to wonder if it was best to never get what you most desire...

This series is a contemporary romance featuring a billionaire, alpha male bachelor, with searing depictions of submissive themes and romantic activity.

Preview:

And yet she couldn't help a slight tremor passing through her as she let herself for a second think what it would be like to have a man like him. There was no doubt he was the hottest man she'd ever met. He looked like sin personified: handsome, dark and devilish. The kind of man whose one glance could send the moistness spilling from secret places. Even with all her common sense Lily couldn't help but be physically attracted to a man known to have no morals when it came to women. Oh, she knew all about his reputation thanks to the tabloids that followed his every escapade with almost religious interest. Lily wanted to hate herself for even being drawn to a man like that. She needed her head examined.

But then what was the harm in a little fantasy?
