This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1862 edition. Excerpt: ...that the gravelly soil, when they came upon another bed of moss, in which was a skeleton. Moss preserves, and it was for that purpose the body was placed in it. The bones were found to be quite fresh and of an extraordinary size. No person ever saw anything to compare with then! before, and it is said no person could at all credit or even imagine the size of them but those who saw them. One gentleman who was present, the late excellent Rev. Mr. Maclver of Glenelg, and father of the much respected present minister of Killmuir, Skye, stood six feet two inches high; he was very stout in proportion, and was altogether allowed to be one of the handsomest men of his day. Every one was wonder-struck at the immensity of the bones; he took the lower jaw-bone and easily put his head through it. It is added that it was a beautiful day; but all of a sudden there came on thunder and lightning, wind, and deluging rain, the like of which no man ever heard or saw. The people thought judgment had come upon them for desecrating the bones of the dead, and interfering with what they had no right, so they closed the grave and desisted. Possibly some may think this bordering on the marvellous; but let no one gainsay the truth of it. There are many yet living who were present, all of whom declare that they " shall never forget the day and the scene till the day of their death." There were a number of people present, gentlemen from Skye, and many from the mainland. I have never heard who the gentleman was whose scepticism caused the opening of the grave, but the incident took place about sixty years ago. Gleann-comhan--Glencoe, that is, the narrow glen--is said by tradition to be the birth-place of Ossian. If there is in Scotland one spot more than another from which...
