The hectic nature of everyday life has made it extremely difficult for people to sit back and relax. Right from rushing to work to making time for family, life now follows a set schedule. That makes it very difficult for people to spend some time to relax and de-stress.

Stress is extremely dangerous as it gives rise to tensions and, in turn, depression and anxiety. Most people tend to stress out as a reflex action when faces with the various challenges of everyday life.

The need of the hour is to, therefore, diminish the negativity and try and develop a positive attitude towards life. Develop a positive overview and try and enjoy life as much as we can.

We have to understand the correlation between a positive attitude and how it affects our happiness. How it stops us from being happy in our daily lives.

They are forced to develop a negative attitude towards life and fail to enjoy it. Over time, they stop feeling positively and that directly affects their happiness.

In this eBook, we look at the various aspects of everyday life and how we can develop a positive attitude.

We look at the relationship between a positive attitude and happiness. We also look at how we can minimize the negative influences and help promote positivity.
