Subjugated by Jaid Black Shannon Smith thinks her marriage to the intense, brooding Hani bin Nasser is one of convenience, but her mysterious Saudi husband has other plans. Getting Naughty by Kristin Daniels Tara North is tired of her husband's workaholic tendencies, tired of not being a priority. And very tired of the lack of action in their bedroom. So she sits in the company parking lot, impatiently waiting for his coworkers to vacate the building. Why? To seduce her husband, of course. Tara's going to get their sex life back on the fast track to Blissville. As she strips for him, Tara issues a challenge—how many times can Jared make her come before the cleaning crew reaches his office? There's only one way to find out. It's time for Jared to really get to work. Stormy Wedding by Kelli Scott Rachel McAllister tried to dissuade Rory Callahan's interest, she'd been hurt by love too many times before, but Rory had been as relentless as a dog after a bone. She gave in, but made one thing perfectly clear from the start—no sex until she said, "I do." If Rachel knew one thing about men, it was that you gave them what they wanted—sex—and they'd be out the door before the sun came up. Rory has passed all her tests and jumped through her hoops to prove his love. They're ready to say, "I do", and Rachel's ready to erase any of Rory's lingering regrets about waiting to have sex. Rory fell head over heels for Rachel at first sight. Getting her to date him was another matter altogether. He'd followed all her rules and has barely complained about her strict moral code. Now he's going to marry her for better or worse. He's about to find out his goody-two-shoes bride-to-be is a fiery vixen who's too hot to handle. Going All In by Sky Robinson When Colin Fredrickson runs into the girl he loved and lost ten years ago, he knows he has to have her back. She says she won't have sex until after marriage. So Colin does the only thing that will get Liberty in his bed and back in his life for good—he goes all in. Liberty James is in Vegas for a bachelorette party when she runs into her high school flame in the casino bar. She had never stopped loving Colin, and now he proposes marriage to show her just how serious he is. Her body burns for Colin and she says yes to a quickie Vegas marriage. Things turn especially hot when it's time to consummate the marriage—can they even wait until they get back to the honeymoon suite? Down to business by Dena Garson Leigh and John Templeton have plans for the upcoming weekend. Unfortunately, looming deadlines may prevent John from being able to get away. In particular, one very long and dull contract review. When Leigh delivers dinner to John at his office, she makes him a deal to spice up the contract review process—for every page he completes, she'll remove an item of clothing...until she's naked and waiting for him to claim his reward.
